Discussion guide for appointment with specialist

If you are referred to a growth specialist, take a look at the below for a few suggestions on questions to ask the doctor prior to or at the appointment.

Sample questions:

- Are there any specific documents or forms I should bring to my appointment?
- How can I help prepare my child for any tests that may be required?
- Can you provide me with a copy of my child's growth record?
- Which tests will my child undergo, and how long will each test take?
- What are the next steps?
